COWLITZ INDIAN TRIBE AND CLARK COUNTY FIRE & RESCUE SIGNED AGREEMENT!!!

Today the Cowlitz Indian Tribe and Clark County Fire & Rescue signed a historic three (3) year Agreement to provide Fire and Emergency Medical Services to the Cowlitz Indian Reservation.

Negotiations between the Cowlitz Indian Tribe and the former Clark County Fire District 12 date back to 2003. A new urgency formed for the Agreement to be solidified when on March 9, 2015, the Cowlitz Indian Reservation was taken into trust by the Bureau of Indian Affairs.

“This Government to Government relationship will greatly enhance critical fire and life safety services that will benefit the Cowlitz Indian Tribe and all the citizens of SW Washington.” says, Chairman Bill Iyall.

I am available to speak to any questions or concerns.
