

# Monthly Report

**To:** Commissioners  
**From:** Chief John Nohr  
**Date:** June 7<sup>th</sup>, 2017  
**Re:** May Report

## **DIVISION CHIEF DAWDY RETIRING**

Division Chief Tim Dawdy will be retiring from CCF&R on June 30<sup>th</sup>, after 24 years of service to the citizens of the District. Chief Dawdy began his fire service career as a wildland firefighter for the U.S. Forest Service in 1976. During his tenure with CCF&R, Chief Dawdy held several assignments, including Training Officer, Public Information Officer, Public Education Officer, and Fire Marshal. We wish Tim the best of times as he enters the next phase of life. A brief ceremony marking Chief Dawdy's retirement will be held at CCF&R Station 21 on June 30<sup>th</sup> from 11:00 AM to 1:00 PM.

## **SIGNAGE PROJECT COMPLETE**

Last year, at the direction of Chief Nohr, a project was begun to ensure all CCF&R stations were clearly identified. Division Chief Dan Yager and the station captains have been working hard to ensure all of our stations are properly marked and easily identified by our public. Station 25 (Pine Grove) and Station 26 (Dollars Corner) were the final stations to have consistent signage installed. Thank you Chief Yager and staff for your great work on this project.

## **2 CCF&R FIREFIGHTERS OBTAIN PARAMEDIC CERTIFICATION**

We are in the process of upgrading two EMT-Basics to the Paramedic Level following their own dedicated efforts for training and testing. Firefighters Paul Bustamante and Nick Maunu have completed their protocol test with the Clark County Medical Program Director and will begin their Field Training and Evaluation Program (FTEP) to operate as Paramedics. Captains Dohman and Lawrence will be their FTEP Evaluators and Mentors in the process. Congratulations to Firefighters Bustamante and Maunu, and thank you for bringing a higher level of service to the citizens of CCF&R.

## **CCF&R RESPONDS TO OVERTURNED LIVESTOCK TRAILER**

CCF&R crews responded to a very difficult call on May 16<sup>th</sup> on NE Timmen Road just south of NE La Center Road involving an overturned livestock trailer. The trailer contained 46 cows that were in transit from Jerome, Idaho to Woodland. Crews worked closely with TLC Towing to remove and corral the animals that could be saved. In the end, 42 of the animals died in the crash or had to be euthanized due to the extent of their injuries. The driver of the vehicle was treated for minor injuries and transported to the hospital for further treatment. This incident further points out that no two days are the same in the lives of our firefighters.

## **FIRE CADETS VISIT NEW YORK CITY AND WASHINGTON DC**

CCF&R Lead Cadet Instructor Dan Ferber took 26 Fire Cadet Students from CCF&R, CCFD3 and CCFD6 Fire Cadet Programs to WA DC and New York. They visited numerous Fire Houses, The Rock at FDNY and the 9/11 Memorial site. Each year seniors fund raise and work towards the opportunity to go on this trip and learn the History of the Fire Service.
