NOTE: This application is not an approval or authorization for work to begin. Plan Review and inspection fees are outlined in local statutes. Reference International Building Code, International Fire Code, and local statutes for definitions. In addition to any other penalty allowed by city or county code, double review fees may be charged where work has commenced prior to the applicant obtaining the required reviews, approvals or permits. Refer to Clark County Fire & Rescue's fee schedule regarding costs. Please print and sign, then scan and email, mail, or deliver completed Permit Application to Clark County Fire & Rescue.
